Hello Chris,

Thank you for writing to Starbucks concerning the information you received about barefoot patrons not receiving service. Your alarm is very warranted in regard to the information you have obtained.

I was unable to locate any such policies as a dress code for customers.

I want to assure you that this has been thoroughly documented and will be shared with all appropriate departments here in Starbucks corporate office.

Again, we appreciate you taking the time to write us.

Sincerely,

Sherle K.
